① Agree / disagree [100%]

- introduction - take a strong writer's position

+ B1 writer's view [100%]

B2

B3 3 People view

B4

c → Restate writer's position

(same as introduction)

Thesis :- Although many readily favour this, I firmly agree / disagree to such an opinion. my position is argued further

- I firmly agree with the statement and reason for "my stand" will be analysed further.

Body :- Out of all, reasons the foremost one is that

• Body :- 2 Furthermore / moreover / However

• Body :- 3 On the contrary, some people counter argue and claim in the favour of

To what extent do you Agree with the writer's position to the question

- (2) - introduction [take writer's position to the extent]  $80\%$
- Body - 1  $(40\%)$  } Agree / disagree
- Body - 2  $(40\%)$  } Agree / disagree
- Body - 3  $(20\%)$  } disagree (people) your
- conclusion

• Thesis :- my position is explained further

If asked, I would certainly Agree / disagree with such an opinion to a large extent because and the reason for my stand will be analysed further

• Body :- Reasons for Agree or disagree

→ Start :- out of all the reasons,

→ Linker :- The most anticipated one is;

• Body :- 2 same as Body 1;

→ Start :- Furthermore, moreover

→ Linker :- Additionally, Also

• Body :- (Negative or opposite view from B1 + B2)

→ Start :- However, the few who

→ Linker :- The most threatening, Beside this

(Bring NOT TO withdraw the consequences conclude

+

Body - 1 (people's view)

+

Body - 2 (my view) (for only 1)

+

opinion of

- conclusion

second group) (for 2 statement)

- Thesis :- If asked, I am of the former later opinion and the reason for my preference will be analysed further

- However, I am quite convinced unconvincing and so agreed disagree to the statement.

(for only 1 statement)  
The reasons for people's perception and my opinion are discussed further

- Body :- Referring to the people-view, the principal reason, --

- Body :- Explaining my opinion, the foremost argument I shall put forward is that --  
(opinion of second group) ← on

- Conclusion :- Hence to, conclude from the above discussion, I am for my opinion.

(Q) Do the advantages more than disadvantages?

Aus:- (yes, to a large extent)

Introduction

+

Body 1

+

Body 2

+

Body 3 } Negative view

Conclusion

Thesis: If I asked, I tend to believe it has more fruitful outcome than being disadvantages and the reason, for why I believe so is analysed / discussed further

If I asked, I would say that a large extent the benefits I drawback of this surpasses its disadvantages / advantages. Profiting my inclination is justified further.

Body :- I discussing the merits, the foremost one is that --

Body :- 2 Further more;

Body :- 3 On the contrary / on the other hand

(F)

# Advantages & disadvantages (50% - 50%)

## - Introduction

+  
Body - 1 → (Advantage)

+  
Body - 2 → (disadvantage)

+  
Conclusion

- Thesis :- It has both, benefits as well as limitations both are discussed further;

- Body :- There are many advantages of ...  
There are several benefits of ...  
beginning with ...

- Body :- There are major advantages

- Body :- on the flip side,  
we must also not ignore the  
disadvantage / demerits of ...

- = on the contrary,  
it does have some limitations /  
demerits -
- The major / foremost / prime  
concern is -

(6)

Advantages

(or)

disadvantages

(100% stand

- Introduction (State your view as agree / disagree in introduction) (100%)
- Body -1 → (100%) Agree / disagree
- Body -2 → (100%) Agree / disagree

Conclusion

- Thesis :- I strongly / firmly / completely agree / disagree with the aid motif and the reason for my argument will be discussed in further
- Body :- I Agree / disagree

- The First argument, I would bring forward for it's -
- The Foremost argument, I shall put forward to favour my stand

- Body :-1 Agree / disagree

- Moreover, I also believe - - -

- Another argument, I would like to put forward is -

- Additionally, I would also like to claim that -

- Body :- 3 (disagree / Agree)

- However, some people may counter argue that;

- However, There are some group of individual who would counter argue

out the contrary, there are some group of mass who think in a reverse manner according to their perception.

#### • Conclusion:-

- Hence, to conclude from the above discussion, though there are some individuals who conceive(B), However, I have justified by giving reason that our opinion

7

## Question Based :-

- Introduction (mention of both the opinions)

+  
Body - 1 (1st one. opinion - 90 words)

+  
Body - 2 (2nd one. opinion - 90 words)

+  
Conclusion

- Thesis :- Both / All the 2 segments are analysed further -

• Body :- 1

Referring to the futuristic uses,

The foremost application would be -

Beside this -

Body :- 2

considering the 2nd question as mentioned;

- TO begin with, on the other hand

(S)

Discuss both the points of view & give your opinion :-

Conclusion

Introduction

+

Body - 1 (View - 1)

+

Body - 2 (View - 2)

+

Conclusion / opinion

points

Thesis :- so before commenting both the perspective could be discussed first further.

Body :- 1 Focusing on the First view;

→ Unlikely :- The most important argument the proponents, beside this, moreover

Body :- 2

on the other hand,

The latter opinion points out

(9)

## causes and effect / solution :-

- Introduction → (Ans all the part of qus.)

Body - 1 → (causes)

+

Body - 2 → solution / effect

+

Conclusion → move towards solution / effect.

## causes & solution Thesis :-

- There are several reasons for such a ~~no~~ several causes. However, some primitive steps can be taken to overcome this alarming issue. Both the causes and remedies are analysed further.

## causes & effect Thesis :-

- There are several reasons for such a situation and also some circumstances which has been resulted due to this issue. Both the reasons and it's causes are discussed further.

• Body :-  
- Examining the reasons --  
- linkers:- The most important is, The other prime reason.

- Body :- However if a few measure can reduce help to overcome the situation.
- Unkels :- The most important step with unknels another suggestion is - traffic rules.
